

Space Blocks

#338

AGE GROUP

Baby & Toddler

Multiage

HOW DO I SET UP & PLAY?

- Print your images out then paste onto each side of your boxes
- Cover each image with a strip of contact paper (optional but it will increase the longevity of your blocks!)
- Place out for babies and toddlers to play with. Name the planet or object in the images as they play.

EXTENDING LEARNING SPARKS

- Ask children if they can find any image matches
- Make a tower together and count the blocks

WHAT MATERIALS DO I NEED?

- 3-5 Small and medium cardboard boxes painted black
- Images of the planets, sun, moon, stars and space equipment from the Space Curiosity sparks printable pack.
- PVA glue
- Contact (optional)
